 color.

CHECKERBOARD Small bloom, crimson corolla, with sepals of
 rose, a very nice bloom.

WINSTON CHURCHILL Corolla double blue lavender, with pink sepals,
 height about 3'.

MANTILLIA Corolla and sepals dark red, with exceptionally
 long tube. Intro 1948

ERECTRA NOVELTY Pink and blue corolla, upright to 3'. sepals
 very stiff and bright red. Bloom does not droop but is erect.

TITANIC Double rose corolla with carmine sepals, upright
 will basket by heavy pinching.

HOLLYDALE Double bloom of pink corolla with dark pink
 sepal, sport of W. Churchill.

DRESDEN Exceedingly strong upright to 8', semi-double
 rose colored flowers.

HONEYMOON Upright to 2', or basket if heavily pinched,
 S-D bloom blue corolla and red sepals.

**SANTA CRUZ Double, dark crimson bloom, an upright grower,
 well worth any space given it. Intro 1948.

PARKSIDE S-D pastel lavender corolla, light rose sepal,
 Intro 1949, an upright grower.

**MISSION BELL Single large flaring corolla, opening violet
 fading slightly blue, sepals scarlet. Makes an exceptional basket,
 or staked upright.

BRUTUS Basket type, purple corolla and scarlet sepals.

MISS B. HESS Low bush to 2', corolla white veined with red,
 sepals scarlet. Takes considerable sun. Try a hedge of this.

**COLLINGWOOD Upright to 2', corolla double, white flushed
 with pink, and pink sepals, very free bloomer.

BLUE DANCING DOLL Upright to 3', double purple corolla, with red
 sepals. And old standby.

MADAM MOIRE Upright to 5', double bloom, with blue corolla,
 touched with white, sepals crimson.

LINCOLN IMPERIAL (Improved) A stiff basket type, single corolla
 of soft rose, with pink sepals. Seldom seen without a bloom.

BALLET GIRL Upright to 2', double, white corolla, with
 crimson sepals. Similar to Molesworth, but smaller.

**GALLI CURCI A rapid basket grower, with a single pink bloom.
 Will take some sun, and two plants in one basket are spectacular.

G. MONK Upright to 2', double, corolla of blue, with
 rose sepals. A fine plant for pot culture.

BALLERINA Upright to 6', corolla pink edged in white,
 pink sepals.

CONSTANCE Upright to 6', double, corolla of purple, dark
 pink sepals.

**KITTY O'DAY Upright to 3', double, corolla of white veined
 with red, sepals bright red.

NONPARIEL (Pink Ballet Girl) Low bush or stiff basket, with
 purple corolla and ivory sepals.

NEW FACINATION Strong grower to 9', double, rose pink corolla,
 with red sepals. Another old standby.

CARDINAL An exceptionally fast grower, with wine red
 corolla, and dark red sepals. Has been known to grow 4' in six month

**ROSEMARYE Upright to 3', with flaring corolla of pastel
 purple, and ivory sepals.

**JACK SHANAHAN A low bush or stiff basket, of single rose
 bloom. Very free with its flowers. Intro 1948.

DISPLAY (Black Prince) A single pink of good size and shape.
 an upright and another of the old standbys.

PINK PEARL An upright to 6', with a beautiful double pink
 bloom. Seldom blooms freely the first year, but makes it up the
 second year. Will take some sun.

**GYPSY QUEEN Upright to 5', double, corolla of rose, with
 dark red sepals.

GENERAL BERNARD MONTGOMERY Upright to 4', A double bloom of
 carmine. with sepals of maroon.

BLUE BOY Low bush to 3', with a violet corolla and red sepals.
 CASCADE A good basket of single blooms in carmine.
 ***WHITEMOST An upright to 4', with white corolla which is slightly touched with pink, and pink sepals. Deep shade will produce a near white bloom
 UTOPIA A stiff basket or low bush with rose corolla and crimson sepals. Very double bloom.
 SIDNEY MITCHELL Stiff basket or low bush with a double corolla of purple veined with rose, sepals a bright red.
 **UNCLE JULES beautiful basket of double purple corolla and crimson sepals. Intro 1947
 **KEYSTONE Upright growth to 4', that will take medium sun, and will produce a multitude of single pink bloom. This is our 1950 introduction.
 LUCKY STRIKE Upright to 3', double corolla of blue, veined with rose, sepals a pink. As always, a good standby.
 GLENVILLE A strong grower to 8', with single flowers, from dark pink to rose, that will take some sun.
 *MOLESWORTH (Belener Kind) A beautiful basket of white veined with red, sepals a bright scarlet, A good double bloom.
 **RED SPIDER An old basket standby, single rose-lavender corolla and crimson sepals. Petals are very large.
 PINK QUARTET An upright to 3', a show in pastel pink. Intro. 1949
 FACINATION Upright to 5', with a double bloom of white heavily flushed with rose, and rose sepals. An old timer.
 PRESIDENT A strong upright to 8', with a single crimson bloom. Sepals a dark red. Leaves have a reddish cast to them.
 PATTY EVANS Upright to 3', or will basket if it is pinched hard, a double bloom of light pink veined a darker pink, sepals shell shell pink. In dense shade will be almost a clear white.

Available in limited quantities at present,
 COVENT GARDENS A stiff basket in single pink, with ivory tube and sepals.
 *HENRI PONCARE A basket of lavender, the corolla is large, sepals a bright red. Very showy for a single. A heavy feeder.
 LINLIESIMA Upright to 3', a large double bloom of white that is veined with red, crimson sepals.
 LITTLE BEAUTY A dainty pot subject with small blue-violet petals, sepals are light rose. A good single for a 6" pot.
 HUGH EVANS A stiff basket in single red, slightly different.
 FALLING STARS A very stiff basket or trellis with a single bloom of deep rose, sepals scarlet. Tube very large.
 ALFRED RAMBEAU Upright to 3', the double bloom of violet purple with red sepals are fine.
 MEPHISTO A cluster of these small flowers are a sight to see for they are of a bright rose $\frac{1}{2}$ " across.
 ANNA A very fine basket in rich magenta, double corolla with sepals of carmine. One of the best in any class.
 MADAM CATNOT The double corolla of white veined with pink, the sepals of red, a very delightful basket. It must be pinched very heavily or it will grow upright.
 CALIFORNIA This has a multitude of small rose-orange blossom, with pink sepals. A large specimen lighted at night looks like a decorated Christmas tree.
 LILSA An upright to 3' or will basket if pinched, a semi-double bloom of rose-purple with sepals of red.
